

2004 Food Excellence Award

GARLAND

Health Department

Awards

**RAIN FRESH WATER, 3134 NATIONAL
AVERAGE SCORE: 93.5**

The Food Service Excellence Award is given to only those food service establishments scoring in the top 5% of their food service class. This is an achievement that is difficult to attain, and one in which the owners and employees of an establishment should be proud.

John H. Teel, Managing Director
- Health & Code Compliance
